Re: Put Alaska First

FEC Identification #C00544346

Dear Mr. Morse:

This is in response to your letter dated March 29, 2015 concerning 12 Day Pre-Primary Report (7/1/14-7/30/14) of Put Alaska First (the "Committee").

You have asked about an increase in receipts from the original report. The increase in receipts is due to only one contribution that was received on July 30, 2014. The Committee initially believed the contribution was received after the close of books for the Pre-Primary report period, but later ascertained that it was received within the coverage period for that report. It got lost between the periods.

The Committee takes its filing obligations seriously and has put procedures into place to ensure that all contributions will be disclosed timely in the future.

We hope that this information adequately answers your question. If you have any additional questions, please feel free to contact the Committee.

Sincerely yours,
